## 1 Bumpers

- Front bumpers
- Front bumpers - full protection
- Rear bumpers
- Nerf bars

## 2 Doors & Storages

- Full door
- Half door
- Cargo box
- Small cargo box

## 3 Racks & Skid Plates

- Front hood rack
- Cargo bed rack / extender
- HDPE skid plate
- HDPE A-arm protector

## 4 Electric Device

- Heater system
- Heated seat
- Audio system

## 5 Windshields & Wipers

- Front tip-out windshield - glass
- Front tip-out heating defrost windshield - glass
- Front full / half windshield - PC
- Rear panel - PC
- Wiper and washer kit

## 6 Others

- Snorkel
- Vehicle cover
- Winch & towing kit
- Snow plow

## Front Bumper Assembly

Accessory Code: 5AS#-801100-6000

- Steel Tube diameter 38mm & wall thickness 2mm
- Durable, E-coated with black powder coat
- Easy to install
- Provides front protection of vehicle
- Headlight protection
- Works with winch system and plow system

## Front Full Protection Bumper Assembly

Accessory Code: 5ASV-805800-6000

- Steel Tube diameter 32mm & wall thickness 2mm
- Durable, E-coated with black powder coat
- Easy to install, Can be flip down for easy access to maintenance parts
- Integrate with the vehicle look
- Fully protect vehicle front, prevent headlight from branches or other debris scratching
- No interference with other Accessories

## Rear Bumper Assembly

Accessory Code: 5AS#-801200-6001

- Steel Tube diameter 38mm & wall thickness 2mm
- Durable, E-coated with black powder coat
- Easy to install
- Provides rear protection of vehicle
- Works hitch system

## Rear Bumper Assembly

Accessory Code: 5AS#-801200-6000

- Steel Tube diameter 38mm & wall thickness 2mm
- Durable, E-coated with black powder coat
- Easy to install
- Provides rear protection of vehicle
- Works hitch system

## Nerf Bars Assembly

Accessory Code: 5KWV-801100-1000

- Steel Tube diameter 32mm & wall thickness 2mm
- Durable, E-coated with black powder coat
- Easy to install
- Provides side protection of vehicle
- Integrated boot scraper helps keep interior clean

\* available for UFORCE 800 XL only.

## Nerf Bars Assembly

Accessory Code: 5AS#-801300-6000

- Steel Tube diameter 32mm & wall thickness 2mm
- Durable, E-coated with black powder coat
- Easy to install
- Provides side protection of vehicle
- Integrated boot scraper helps keep interior clean

\* available for UFORCE 600 & EV.

# UFORCE

600 / 800 XL / 600 EV

## Front Hood Rack Assembly

**Accessory Code:** 5ASV-805900-6000

- Steel front hood rack is strong and durable, can take some goods on
- E-coated with black powder coat
- Easy to install
- Can be flip up for easy access to maintenance parts
- With installing CFConnect Base (9DQV-809100-3000), you can install front basket, front box, cooler box, tool holders or other Accessories on front rack by CFConnect clamps (9DS#-809000-6000).

\* must work with front full protection bumper (5ASV-805800-6000)

## Front Hood Rack Assembly

**Accessory Code:** 5ASV-805900-6000

- Steel front hood rack is strong and durable, can take some goods on
- E-coated with black powder coat
- Easy to install
- Can be flip up for easy access to maintenance parts
- With installing CFConnect Base (9DQV-809100-3000), you can install front basket, front box, cooler box, tool holders or other Accessories on front rack by CFConnect clamps (9DS#-809000-6000).

\* must work with front full protection bumper (5ASV-805800-6000)

## Cargo Bed Rack Assembly

**Accessory Code:** 5ASV-806200-6000

- Add the space for loading more goods
- Can work with CFMOTO UFORCE cargo box (5ASV-806100-6000)
- Durable, steel tube construction, E-coated with black powder coat
- With CF Connect, Easy to install and remove, Tool-less

## Cargo Bed Extender Assembly

**Accessory Code:** 5ASV-802500-6000

- Add the space for loading more goods
- Durable, steel tube construction, E-coated with black powder coat
- With CFConnect, Easy to install and remove, Tool-less

\* this rack apply to U6 and U8 XL

## 95L Cargo Box Assembly

**Accessory Code:** 5KWV-806500-1000

- Large storage capacity (25 Gallons, ~95 Liters)
- Durable, Heavy duty plastic, Stylish look
- Lockable lid, Water tight seal
- With drain hole, Easy to clean the box and drain the water
- With CF Connect, Easy to install and remove, Tool-less
- This box can be installed on driver side or passenger side of U6 & U8 XL cargo bed, friendly for driver and passenger using

\* this box apply to U6 & U8 XL

## Cargo Box Assembly

**Accessory Code:** 5ASV-806100-6000

- Large storage capacity (48 Gallons, ~182 Liters)
- Durable, Heavy duty plastic, Stylish look
- With drain hole, Easy to clean the box and drain the water
- With CF Connect, Easy to install and remove, Tool-less
- With 2 openable lids, easy to put goods in and take them out
- Lockable lid, No mounting holes inside of cargo box, Water tight seal
- With the integrated flat cover with rope holes, can put more goods on box

HDPE Skid Plate Assembly

Accessory Code: 7DHV-804100-1000

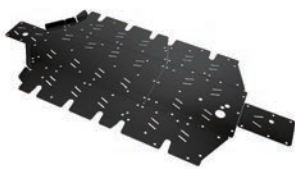

- Made of high density polyethylene HDPE (thickness 8mm)
- Ultimate durability
- High impact strength, Ultimate durability
- Offering great protection in rough terrain
- Fit on UFORCE 600 perfectly

A-Arm Protectors Kit

Accessory Code: 7DHV-804200-1000

- Made of high density polyethylene HDPE (thickness 8mm)
- Ultimate durability
- High impact strength, Ultimate durability
- Offering great protection in rough terrain
- Fit on UFORCE 600 perfectly

HDPE Skid Plate Assembly

Accessory Code: 5KWV-804100-1000

- Made of high density polyethylene HDPE (thickness 8mm)
- Ultimate durability
- High impact strength, Ultimate durability
- Offering great protection in rough terrain
- Fit on UFORCE 800 XL perfectly

HDPE A-Arm Protector Kit

Accessory Code: 5KWV-804200-1000

- Made of high density polyethylene HDPE (thickness 8mm)
- Ultimate durability
- High impact strength, Ultimate durability
- Offering great protection in rough terrain
- Fit on UFORCE 800 XL perfectly

HDPE Skid Plate Assembly

Accessory Code: 5ASV-804300-6001

- Made of high density polyethylene HDPE (thickness 8mm)
- Ultimate durability
- High impact strength, Ultimate durability
- Offering great protection in rough terrain
- Fit on UFORCE 600 perfectly

\* this skid plate is for 2023MY and 2024MY UFORCE 600  
\* 5ASV-804300-6000 is for 2022MY UFORCE 600

Snorkel Assembly

Accessory Code: 5KWV-803100-6001

- Perfect protection against dust and rain
- Stable, quiet at low/high speed riding condition
- Make UFORCE 800XL work well under harsh environment

Snorkel Assembly

Accessory Code: 5ASV-803100-6000

- Perfect protection against dust and rain
- Stable, quiet at low/high speed riding condition
- Make UFORCE 600 work well under harsh environment

## Half Doors Kit

**Accessory Code:** 5ASV-807000-6000

- Includes left half door and right half door.
- Roto-mold doors can be well installed on UFORCE 600
- The strong and durable doors provide a comfortable driving environment and let fresh air goes in.
- Easy to install and un-install

\* available for UFORCE 600 and UFORCE EV.

## Front Half Doors Kit

**Accessory Code:** 5KWV-807500-1000

- Includes front left half door and front right half door.
- Roto-mold doors can be well installed on UFORCE 800 XL
- The strong and durable doors provide a comfortable driving environment and let fresh air goes in.
- Easy to install and un-install

## Rear Half Doors Kit

**Accessory Code:** 5KWV-807600-1000

- Includes rear left half door and rear right half door.
- Roto-mold doors can be well installed on UFORCE 800 XL
- The strong and durable doors provide a comfortable driving environment and let fresh air goes in.
- Easy to install and un-install

## Left Full Door Assembly

**Accessory Code:** 5ASV-807100-6000

## Right Full Door Assembly

**Accessory Code:** 5ASV-807200-6000

- The strong and durable doors provide a quiet and comfortable driving environment
- Doors with convenient integrated storage areas
- Exterior and Interior door handle
- Polycarbonate windows can be opened fully.
- The main tube of door structure is 20 x 20 mm square tube
- 360 degree bubble seal

\* available for UFORCE 600 and UFORCE EV.

## Front Left Full Door Assembly

**Accessory Code:** 5KWV-807100-1000

## Front Right Full Door Assembly

**Accessory Code:** 5KWV-807200-1000

- The strong and durable doors provide a quiet and comfortable driving environment
- Doors with convenient integrated storage areas
- Exterior and Interior door handle
- Polycarbonate windows can be opened fully.
- The main tube of door structure is 20 x 20 mm square tube
- 360 degree bubble seal
- Fit on UFORCE 800 XL perfectly

## Rear Left Full Door Assembly

**Accessory Code:** 5KWV-807300-1000 (for 2025MY and piror)

5KWV-807300-1001 (for 2026MY)

## Rear Right Full Door Assembly

**Accessory Code:** 5KWV-807400-1000 (for 2025MY and piror)

5KWV-807400-1001 (for 2026MY)

- The strong and durable doors provide a quiet and comfortable driving environment
- Doors with convenient integrated storage areas
- Exterior and Interior door handle
- Polycarbonate windows can be opened fully.
- The main tube of door structure is 20 x 20 mm square tube
- 360 degree bubble seal

## Front Tip-Out Heating Deforest Windshield Assembly - Glass

Accessory Code: 7DHV-808400-1000

- Made of Laminated safety glass
- The windshield can be tip-out by 2 gas struts and allow fresh air flow
- Meets or exceeds automotive standards
- Great seal, Excellent visibility
- Protects drivers and passenger from the elements
- With heating defrost working, fog can be disappeared on windshield to ensure the rider have a clear front view.

\*this windshield can use 40W wiper (5ASV-808300-6000) only

## Front Tip-Out Heating Deforest Windshield Assembly - Glass

Accessory Code: 5ASV-808200-6000

7DHV-808200-1000

- Made of Laminated safety glass
- The windshield can be tip-out by 2 gas struts and allow fresh air flow
- Meets or exceeds automotive standards
- Great seal, Excellent visibility
- Protects drivers and passenger from the elements

\* this windshield can use 40W wiper (5ASV-808300-6000) only

## Wiper and Washer Kit (40W)

Accessory Code: 5ASV-808300-6000

- One 400 mm (16 in.) wiper blade can sweep a large area on windshield
- Clears debris and dust to keep visibility
- 2 individual switches for easy controlling wiper sweep and washer spray separately.
- Refillable reservoir holds approximately 1.5 L of cleaning fluid
- This wiper kit can work on CFC tip-out glass windshield (5ASV-808200-6000) only and Easy installation

## Front Windshield Assembly-Poly

Accessory Code: 5ASV-805100-6001

- Made of impact-resistant 6mm thickness polycarbonate
- Excellent visibility
- Surface hardening treatment
- Stable and quiet at riding condition
- UV and weather endurance with no yellowing
- Protects drivers and passenger from the elements
- With CF Connect, tool-less, Easy to install and remove after initial installation

## Rear Panel Assembly

Accessory Code: 5ASV-805200-6001

- Made of impact-resistant 6mm thickness polycarbonate
- Excellent visibility
- Surface hardening treatment
- Stable and quiet at riding condition
- UV and weather endurance with no yellowing
- Prevent backdraft of dust or rain in harsh environments
- With CF Connect, tool-less, Easy to install and remove after initial installation

\*This windshield apply to U6 & U8 XL & EV.

## Front Half Windshield Assembly-Poly

Accessory Code: 5ASV-805300-6000

- Made of impact-resistant 6mm thickness polycarbonate
- Excellent visibility
- Surface hardening treatment
- Stable and quiet at riding condition
- UV and weather endurance with no yellowing
- Protects drivers and passenger from the elements
- With CF Connect, tool-less, Easy to install and remove after initial installation

## Rear Panel Assembly-Poly

**Accessory Code:** 5ASV-805200-6000

- Made of impact-resistant 6mm thickness polycarbonate
- Excellent visibility
- Surface hardening treatment
- Stable and quiet at riding condition
- UV and weather endurance with no yellowing
- Prevent backdraft of dust or rain in harsh environments
- With CF Connect, tool-less, Easy to install and remove after initial installation

\*This windshield apply to 2025MY and prior U6 only

## Roof Liner Assembly

**Accessory Code:** 5ASV-809100-6000

- Vehicle enhancement, reduce noise.
- Can work with audio system, overhead storage bag, windshield and LED lights.
- Make the cabin more comfortable
- 5 pcs in 1 package

\* audio system, overhead storage bag, windshield and LED lights sold separately.

## Heater System Assembly

**Accessory Code:** 5ASV-802000-5000

- Includes 6 adjustable heat vents, can blow feet, face and front windshield
- Variable Fan speed, can constantly provide heat wind
- Heat and fan dash-mounted controls
- Look integrated into vehicle
- Keep cab warm and circulate air
- Fit on UFORCE 600 perfectly.

## Driver Heated Seat Assembly

**Accessory Code:** 5ASV-805600-6000

## Passenger Heated Seat Assembly

**Accessory Code:** 5ASV-805700-6000

- Single Seat Kit, includes 1 switch (ON & OFF) and 1 temperature adjuster (Low temperature – High temperature)
- Rated Voltage 12V, Rated Power 40W±2W
- Thermostat, 2 levels:  
High: OFF- 70 C, ON- 65 C  
Low: OFF- 55 C, ON- 50 C
- The temperature of the seat surface makes the driver and passenger comfort in cold environment

\* driver heated seat is not available for E.U.167 regulation.  
It has not seat alerting function.

## Side Mirrors Assembly

**Accessory Code:** 5ASV-805500-6000

- Perfect fit on UFORCE 600/800 XL
- Wide range rear view
- Make ride more safety
- Stable, quiet at low/high speed riding condition
- Compatible with roof, windshield, and other Accessories

## UForce 600 Vehicle Cover Assembly

**Accessory Code:** 85214Z-00100

- Made of UV-resistant solution black yarn-dyed Oxford PU
- Protects windshield and colored panels from abrasion
- Weather-resistant trailering cover protects your vehicle during storage and transportation
- Perfectly fit UFORCE 600 with or without CFMOTO Accessories
- This cover can be used on CFORCE for trailer traveling.
- With Velcro strap, this cover can be enlarged to cover CFORCE which equipped CF accessories including cargo boxes, windshield, front & rear bumpers and so on.

# UFORCE

## 1000 / 1000XL

- Front tip-out windshield - glass
- Front full / half windshield - PC
- Rear panel - PC
- Wiper and washer kit

### ⑥ Others

- Snorkel
- Roof liner
- seat cover
- Winch & towing kit
- Snow plow

## Front Bumper Assembly

**Accessory Code:** 5HY#-801100-1000

- Steel Tube diameter 38mm & wall thickness 2mm
- Durable, E-coated with black powder coat
- Easy to install
- Provides front protection of vehicle
- Headlight protection
- Works with winch system and plow system

## HD Front Bumper Assembly

**Accessory Code:** 5HYV-801600-1001

- Heavy Duty front bumper provide full protection for U10 front.
- Steel Tube diameter 38mm & wall thickness 2mm
- Durable, E-coated with black powder coat
- Easy to install
- Provides front protection of vehicle
- Headlight protection
- Works with winch system and plow system

## Front Bumper and Rack Kit

**Accessory Code:** 5HY0-801000

- Integrated rack extension
- Made of  $\phi$  32mm steel pipe
- Front vehicle protection
- Headlight Protection
- Anti-corrosion coating with durable coat finish
- Tough and Strong

## Rear Bumper Assembly

**Accessory Code:** 5HY#-801200-1000

- Steel Tube diameter 38mm & wall thickness 2mm
- Durable, E-coated with black powder coat
- Easy to install
- Provides rear protection of vehicle
- Works hitch system

## Nerf Bars Assembly

**Accessory Code:** 5HY#-801300-1000

- Steel Tube diameter 50mm & wall thickness 2mm
- Durable, E-coated with black powder coat
- Easy to install
- Provides side protection of vehicle
- Integrated boot scraper helps keep interior clean

\* available for UFORCE 1000 only.

## Nerf Bars Assembly

**Accessory Code:** 5SY#-801300-6000

- Steel Tube diameter 50mm & wall thickness 2mm
- Durable, E-coated with black powder coat
- Easy to install
- Provides side protection of vehicle
- Integrated boot scraper helps keep interior clean

\* available for UFORCE 1000 XL only.

## Rear Bumper and Side Protectors Kit

**Accessory Code:** 5HY0-802000-10000

- Made of  $\phi$  32mm steel pipe
- Rear and Side vehicle protection
- Taillight Protection
- Anti-corrosion coating with durable coat finish
- Tough and Strong

\* The side protectors need to work with front bumper and rack kit (5HY0-801000) together.

\* It can work with U10 half door kit.

## Cargo Bed Wall Extender Assembly

**Accessory Code:** 5HYV-803000-1000

- Extend the capacity of dumping box
  - Tough and Strong
  - Anti-corrosion coating with durable coat finish
  - This Cage need 12 units quick release clamps (5HY0-809100) to install
- \* quick release clamps (5HY0-809100) need to purchased separately.

## 95L Cargo Box Assembly

**Accessory Code:** 5HYV-806500-1000

- Large storage capacity (25 Gallons, ~95 Liters)
- Durable, Heavy duty plastic, Stylish look
- Lockable lid, Water tight seal
- With drain hole, Easy to clean the box and drain the water
- With CF Connect, Easy to install and remove, Tool-less
- This box can be installed on driver side or passenger side of U10 & U10 XL cargo bed, friendly for driver and passenger using

\* this box apply to U10 & U10 XL

## U10 Heater System

**Accessory Code:** 5HYR-802000-1K00

## U10 XL Heater System

**Accessory Code:** 5SYB-802000-6A00

- Includes 6 adjustable heat vents, can blow feet, face and front windshield
- Variable Fan speed, can constantly provide heat wind
- Heat and fan dash-mounted controls
- Look integrated into vehicle
- Keep cab warm and circulate air

## Audio System Stage - 1

**Accessory Code:** 5HYV-802000-1000

- Purposely Engineered for CFMOTO  
Audio system specifically for the CFMOTO UFORCE 1000 series
- AM/FM/Bluetooth Source Unit  
High contrast LED screen displays album art Apple iPod/iPhone control controls your Apple device  
Built-in five-band equalizer for easy system adjustments
- 6.5 Inch Composite Coaxial Speakers  
Composite construction deep and accurate midbass  
0.75-inch titanium dome tweeter for crystal clear high frequencies
- High impact Composite Enclosures  
Vehicle specific Front Left & Right speaker panels  
Ultra-Compact design takes up minimal space
- Life Shield IPX rated  
Fully protected against the elements

## Audio System Stage - 2

**Accessory Code:** 5HYV-801000-1000

- Purposely engineered for CFMOTO  
Speaker system design specifically to work with UFORCE 1000 Audio system Stage-1 (5HYV-801000-1000)
- 6.5 Inch Composite Coaxial Speakers
- Composite construction deep and accurate midbass  
0.75-inch titanium dome tweeter for crystal clear high frequencies
- High impact Composite Enclosures
- Vehicle specific front left & right speaker panels  
Ultra-Compact design takes up minimal space
- 10 Inch Subwoofer
- Application specific long throw high output design  
Low profile sealed enclosures
- 600 Watt High efficiency, Water-Resistant Full Range 5 channel amplifier
- Big power, small chassis design with low current draw
- Life Shield IPX rated
- Fully protected against the elements

\* Audio system stage -2 is one speaker system. It must work with Audio system stage-1 (5HYV-801000-1000). It can not work on UFORCE 1000 by itself.

## HDPE Skid Plate Assembly

Accessory Code: 5HYV-805800-1000

- Made of high density polyethylene HDPE (thickness 8mm)
- Ultimate durability
- High impact strength
- Offering great protection in rough terrain
- Fit on UFORCE 1000 perfectly

## HDPE Skid Plate Assembly

Accessory Code: 5SYV-806800-1000

- Made of high density polyethylene HDPE (thickness 8mm)
- Ultimate durability
- High impact strength
- Offering great protection in rough terrain
- Fit on UFORCE 1000 XL perfectly

## Skid Plate Assembly

Accessory Code: 5HY0-805200

- Made of high strength aluminum (thickness 3mm)
- Ultimate durability
- High impact strength
- Offering great protection in rough terrain

\* available for UFORCE 1000 only.

## A-Arm Protector Assembly

Accessory Code: 5HY0-805100

- Made of high strength aluminum (thickness 3mm)
- Ultimate durability
- High impact strength
- Offering great protection in rough terrain

## U10 Roof Liner Assembly

Accessory Code: 5HYR-801000-1K00

## U10 XL Roof Liner Assembly

Accessory Code: 5SYB-801000-1K00

- Vehicle enhancement, reduce noise.
- Can work with audio system, windshield and LED lights.
- Make the cabin more comfortable
- 5 pcs in 1 package

## Half Doors Kit

Accessory Code: 5HYV-807500-1000

- Half doors kit includes left half door and right half door.
- The rotational-molding half doors are light weight but strong and durable.
- Half doors are designed for UFORCE 1000 and can be fit on UFORCE 1000 easily and perfectly.
- With equipping half doors, drivers would have a safe and ventilate driving environment on UFORCE 1000.

\* available for UFORCE 1000 only.

Front Half Doors Kit

Accessory Code: 5SYV-807500-6000

- Front half doors kit includes front left half door and front right half door.
- The rotational-molding half doors are light weight but strong and durable.
- Half doors are designed for UFORCE 1000 XL and can be fit on UFORCE 1000 XL easily and perfectly.
- With equipping half doors, drivers would have a safe and ventilate driving environment on UFORCE 1000 XL.

\* available for UFORCE 1000 only.

Rear Half Doors Kit

Accessory Code: 5SYV-807600-6000

- Rear half doors kit includes rear left half door and rear right half door.
- The rotational-molding half doors are light weight but strong and durable.
- Half doors are designed for UFORCE 1000 XL and can be fit on UFORCE 1000 XL easily and perfectly.
- With equipping half doors, drivers would have a safe and ventilate driving environment on UFORCE 1000 XL.

\* available for UFORCE 1000 XL only.

Left Full Door Assembly

Accessory Code: 5HYV-807100-1000

Right Full Door Assembly

Accessory Code: 5HYV-807200-1000

- The strong and durable doors provide a quiet and comfortable driving environment
- Doors with convenient integrated storage areas
- Exterior and Interior door handle
- Polycarbonate windows can be opened fully.
- The main tube of door structure is 20 x 20 mm square tube
- 360 degree bubble seal

\* available for UFORCE 1000 XL only.

Left Power Window Door Assembly

Accessory Code: 5HYV-807300-1000

Right Power Window Door Assembly

Accessory Code: 5HYV-807400-1000

- The strong and durable doors have 360 degree bubble seal straps and provide a quiet and comfortable driving environment
- Doors with convenient integrated storage areas
- Exterior and Interior door handles
- The doors have reserved cable plug for connecting vehicle to get power
- Powered glass windows can be opened for fresh air flowing

\* available for 2024MY UFORCE 1000 only.

Front Left Power Window Door Assembly

Accessory Code: 5SYV-807100-6000

Front Right Power Window Door Assembly

Accessory Code: 5SYV-807200-6000

- The strong and durable doors have 360 degree bubble seal straps and provide a quiet and comfortable driving environment
- Doors with convenient integrated storage areas
- Exterior and Interior door handles
- The doors have reserved cable plug for connecting vehicle to get power
- Powered glass windows can be opened for fresh air flowing

\* available for 2023MY & 2024MY UFORCE 1000 XL only.

Rear Left Power Window Door Assembly

Accessory Code: 5SYV-807300-6000

Rear Right Power Window Door Assembly

Accessory Code: 5SYV-807400-6000

- The strong and durable doors have 360 degree bubble seal straps and provide a quiet and comfortable driving environment
- Doors with convenient integrated storage areas
- Exterior and Interior door handles
- The doors have reserved cable plug for connecting vehicle to get power
- Powered glass windows can be opened for fresh air flowing

\* available for 2023MY & 2024MY UFORCE 1000 XL only.

## Front Windshield Assembly

**Accessory Code:** 5SYV-805100-1000

- Made of impact-resistant 6mm thickness polycarbonate
- Excellent visibility
- Surface hardening treatment
- Stable and quiet at riding condition
- UV and weather endurance with no yellowing
- Protects drivers and passenger from the elements
- With CF Connect, tool-less, Easy to install and remove after initial installation

\* This windshield can not be installed on MY2021 and before UFORCE 1000, unless change the roof mount plate (5HY0-230107-3B200) with the roof mount plate (5HY0-230107-40000).

\* This windshield can be applied to 2022MY and 2023MY and 2024MY UFORCE 1000 and UFORCE 1000 XL.

## Rear Panel Assembly

**Accessory Code:** 5SYV-805200-1002

- Made of impact-resistant 6mm thickness polycarbonate
- Excellent visibility
- Surface hardening treatment
- Stable and quiet at riding condition
- UV and weather endurance with no yellowing
- Prevent backdraft of dust or rain in harsh environments
- With CF Connect, tool-less, Easy to install and remove after initial installation

\* Please know this usage of rear windshield will bring more dust and debris to the air intake of CVT and air filter by back draft/whirl. We suggest consumer adding snorkel kit (5HY#-803000-1200) to improve the air flow.

## Front Half Windshield Assembly

**Accessory Code:** 5SYV-805300-1000

- Made of impact-resistant 6mm thickness polycarbonate
- Excellent visibility
- Surface hardening treatment
- Stable and quiet at riding condition
- UV and weather endurance with no yellowing
- Protects drivers and passenger from the elements
- With CF Connect, tool-less, Easy to install and remove after initial installation

## U10 Front Tip-Out Windshield Assembly - Glass

**Accessory Code:** 5HYV-805800-1K02

## U10 XL Front Tip-Out Windshield Assembly - Glass

**Accessory Code:** 5SYV-805800-6A00

- Made of Laminated safety glass
- The windshield can be tip-out by 2 gas struts and allow fresh air flow
- Meets or exceeds automotive standards
- Great seal, Excellent visibility
- Protects drivers and passenger from the elements

\* this windshield can use 40W wiper (5HYV-805600-1K01) only

## Wiper and Washer System (40W)

**Accessory Code:** 5HYV-805600-1K01

- One 400 mm (16 in.) wiper blade can sweep a large area on windshield
- Clears debris and dust to keep visibility
- 2 individual switches for easy controlling wiper sweep and washer spray separately.
- Refillable reservoir holds approximately 1.5 L of cleaning fluid
- This wiper kit can work on CFC tip-out glass windshield (5HYV-805800-1K01 and 5SYV-805800-6A00) only and Easy installation

## Side Mirrors Assembly

**Accessory Code:** 5HY#-805500-1200

- Perfect fit on UFORCE 1000 and UFORCE 1000 XL
- Wide range rear view
- Make UFORCE 1000 ride more safety
- Stable, quiet at low/high speed riding condition
- Compatible with roof, windshield, and other Accessories

- With drain hole, Easy to clean the box and drain the water
- With CF Connect, Easy to install and remove, Tool-less
- This box can be installed on driver side or passenger side of U10 Pro cargo bed, friendly for driver and passenger using

## Cargo Box Assembly

Accessory Code: 5HYV-806100-1000

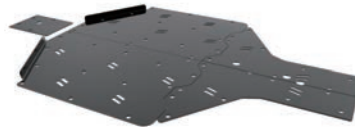

- Large storage capacity (52.5 Gallons, ~199 Liters)
- Durable, Heavy duty plastic, Stylish look
- With drain hole, Easy to clean the box and drain the water
- With CFConnect, Easy to install and remove, Tool-less
- With 2 openable lids, easy to put goods in and take them out
- Lockable lid, No mounting holes inside of cargo box, Water tight seal
- With the integrated flat cover with rope holes, can put more goods on box

## HDPE Skid Plate Assembly

Accessory Code: 5SYV-804100-8000

- Made of high density polyethylene HDPE (thickness 8mm)
- Ultimate durability
- High impact strength
- Offering great protection in rough terrain
- Fit on UFORCE 1000 Pro XL perfectly

## HDPE Skid Plate Assembly

Accessory Code: 5HYV-804100-6000

- Made of high density polyethylene HDPE (thickness 8mm)
- Ultimate durability
- High impact strength
- Offering great protection in rough terrain
- Fit on UFORCE 1000 Pro perfectly

## HDPE A-Arm Protectors Kit

Accessory Code: 5HYV-804200-6000

- Made of high density polyethylene HDPE (thickness 8mm)
- Ultimate durability
- High impact strength
- Offering great protection in rough terrain
- Fit on UFORCE 1000 Pro and UFORCE 1000 Pro XL perfectly

## Oil Filter Kit

Accessory Code: 5HYV-809900-6000

- This Kit includes 1 oil filter (ONYV-070200-1000), 1 washer (0010-021014) and 1 bandana (85244K-00100)
- Make the service and maintenance be easy
- Apply to UFORCE 1000 Pro and UFORCE 1000 Pro XL

## Front Windshield Assembly

**Accessory Code:** 5HYV-805100-6000

- Made of impact-resistant 6mm thickness polycarbonate
- Excellent visibility
- Surface hardening treatment
- Stable and quiet at riding condition
- UV and weather endurance with no yellowing
- Protects drivers and passenger from the elements
- With CF Connect, tool-less, Easy to install and remove after initial installation

## Front Half Windshield Assembly

**Accessory Code:** 5HYV-805300-6000

- Made of impact-resistant 6mm thickness polycarbonate
- Excellent visibility
- Surface hardening treatment
- Stable and quiet at riding condition
- UV and weather endurance with no yellowing
- Protects drivers and passenger from the elements
- With CFConnect, tool-less, Easy to install and remove after initial installation

## Rear Panel Assembly

**Accessory Code:** 5HYV-805200-6000

- Made of impact-resistant 6mm thickness polycarbonate
- Excellent visibility
- Surface hardening treatment
- Stable and quiet at riding condition
- UV and weather endurance with no yellowing
- Prevent backdraft of dust or rain in harsh environments
- With CF Connect, tool-less, Easy to install and remove after initial installation

## Rear Panel Assembly – Glass

**Accessory Code:** 5HYV-805200-9001

- One Sliding Glass Rear Panel, Excellent visibility
- Scratch-resistant tempered glass for durability and longer-lasting clarity
- Central sliding window provides adjustable ventilation and in-cabin access to cargo in your cargo bed
- 360 degree gasket seal provides stable and quiet at riding condition
- Prevent backdraft of dust or rain in harsh environments

## Wiper and Washer Kit

**Accessory Code:** 5HYV-805900-6000 (U10 Pro) /

- Scratch-resistant automotive style curved glass windshield, Excellent visibility
- It can tip out by electric support rods and have 3 positions - closed, vented and open
- When closed, 360 degree gasket seal windshield provides stable and quiet at riding condition
- Protects drivers and passenger from the elements

## Roof Liner Assembly

**Accessory Code:** 5HYV-803100-6000

- Vehicle enhancement, reduce noise.
- Can work with audio system, windshield and LED lights.
- Make the cabin more comfortable
- 5 pcs in 1 package
- Fit on U10 Pro perfectly

## Roof Liner Assembly

**Accessory Code:** 5SYV-803300-6000

- Vehicle enhancement, reduce noise.
- Can work with audio system, windshield and LED lights.
- Make the cabin more comfortable
- 5 pcs in 1 package
- Fit on U10 Pro XL perfectly

## Half Doors Kit

**Accessory Code:** 5HY1-807500-6001

- Half doors kit includes left half door and right half door.
- The rotational-molding half doors are light weight but strong and durable.
- Half doors are designed for UFORCE 1000 Pro and can be fit on UFORCE 1000 Pro easily and perfectly.
- With equipping half doors, drivers would have a safe and ventilate driving environment on UFORCE 1000 Pro.

\* available for UFORCE 1000 Pro only.

## Front Half Doors Kit

**Accessory Code:** 5SYV-807600-8001

## Rear Half Doors Kit

**Accessory Code:** 5SYV-807500-8001

- Half doors kit includes left half door and right half door.
- The rotational-molding half doors are light weight but strong and durable.
- Half doors are designed for UFORCE 1000 Pro XL and can be fit on UFORCE 1000 Pro XL easily and perfectly.
- With equipping half doors, drivers would have a safe and ventilate driving environment on UFORCE 1000 Pro XL.

## Front Power Window Door Kit – Black

**Accessory Code:** 5HYV-809100-9000

- Includes left power door and right power door
- The strong and durable doors provide a quiet and comfortable driving environment
- Doors with convenient integrated storage areas
- Exterior and Interior door handle
- Power drive glass windows can be opened fully.
- 360 degree bubble seal

\* the doors accent panels are black color. Consumer can order other color accent panels individually for matching the vehicle color.

## Rear Power Window Door Kit – Black

**Accessory Code:** 5SYV-809200-8300

- Include front left & right doors and rear left & right doors.
- The strong and durable doors provide a quiet and comfortable driving environment
- Doors with convenient integrated storage areas
- Exterior and Interior door handle
- Power drive glass windows can be opened fully.
- 360 degree bubble seal
- Fit on U10 Pro XL perfectly

\* the doors accent panels are black color. Consumer can order other color accent panels individually for matching the vehicle color.

## FRONT DOOR DECORATIVE PANEL KIT

**Accessory Code:** 5HYV-808300-9000 – TT Camo

- 2 inch hitch kit for ATV/UTV
- 136mm length towing bar (from pin shaft hole to hitch ball hole)
- Easy to install and remove
- E-coated with black powder coat

\* CFMOTO have 2 kinds of hitch kits for CFMOTO vehicles.  
consumer can pick up the hitch kit which he need.

## Winch Remote Controller

**Accessory Code:** 5HYV-801500-1000

- Easy to install on UFORCE and ZFORCE
- Must work with CFMOTO winch
- Remote range is 15.2 meters
- Easy control winch working

\* it could be used on CFMOTO UFORCE or ZFORCE which equipped with CFMOTO winch.

## Synthetic Winch Rope

**Accessory Code:** 7020-800750

- High strength winch rope, pull up to 4500 lbs
- Rope length up to 12 meters.
- Light weight, easy to carry
- Durable, sea water resistance, UV resistance and temperature difference repetition, etc
- Convenient, fast and safe operation

\* it could be used on any CFMOTO vehicle which equipped with a winch

## Tree Saver Strap

**Accessory Code:** 9DS#-808302-6000

- Large eyes with heavy duty chafe protection allow for easy rigging
- Bright yellow nylon provide excellent visibility when winching
- Center chafe protects from abrasion damage

\* available for ATV/SxS

## Winch Rope Fairlead

**Accessory Code:** 7030-150701

- Used with CFMOTO winch
- Aluminum fairlead reduces wear on wire rope for heavy attachment application

\* it could be used on any CFMOTO vehicle which equipped with a winch

## Trailer Socket & Adaptor Assembly (8 pins)

**Accessory Code:** 9DQV-800200-3000

- Use for all CFMOTO vehicle with trailer
- The socket cover defense against dirt and water
- Power socket is for trailer in most markets, added Adaptor is for North America Market
- It is for 8 pins

\* For CFMOTO vehicles without trailer power socket.

\* Before ordering power socket & adaptor assembly, please ensure your vehicle has power socket mounting bracket firstly.

## Trailer Socket & Adaptor Assembly (6 pins)

**Accessory Code:** 7020-800200-1000

- Use for all CFMOTO vehicle with trailer
- The socket cover defense against dirt and water
- Power socket is for trailer in most markets, added Adaptor is for North America Market
- It is for 6 pins

\* For CFMOTO vehicles without trailer power socket.

An aerial photograph of a winter forest. The ground is covered in a thick layer of snow. Numerous evergreen trees are scattered throughout the scene, their branches heavily laden with snow. In the lower half of the image, there are prominent, curved tracks in the snow, likely made by a snowplow or a similar heavy vehicle. The overall color palette is dominated by whites and blues, with the dark green of the trees providing contrast.

# ***UFORCE***

## ***PLOW SYSTEM***

## Plow Mount Bracket Assembly – G2

Accessory Code: 5ASV-804200-6001

- For UFORCE 600 & UFORCE 800 XL
- Wall Thickness: 6mm
- Install on the front of UFORCE 600 / 800 XL easily and lock the plow push tube easily
- Increased sacrifice anodes for longer use of snow plows
- E-coated with black powder coat

\* The other parts of the plow system need to be purchased separately.

## Plow Mount Bracket Assembly – G2

Accessory Code: 5HYV-804100-1001

- For UFORCE 1000 and UFORCE 1000 XL
- Wall Thickness: 6mm
- Install on the front of UFORCE 1000 /XL easily and lock the plow push tube easily
- Increased sacrifice anodes for longer use of snow plows
- E-coated with black powder coat

\* The other parts of the plow system need to be purchased separately.

## 50" Plow Blade Assembly – G2

Accessory Code: 9CQV-804700-3000

## 60" Plow Blade Assembly – G2

Accessory Code: 9AWV-804700-8000

## 72" Plow Blade Assembly – G2

Accessory Code: 5HYV-804700-1000

- For UFORCE multiple models
- Plow wall thickness 2.5mm
- Attach the plow push tube at the front easily
- Increased sacrifice anodes for longer use of snow plows
- E-coated with black powder coat
- Make the job easier with the right tools, clear long alleys and make the task easier by sending the snow further out of the way.

Accessory Code: 5HYV-804500-1000

- For CFMOTO Snow Plow
- Keeps snow from flying into your face
- Made of black hard rubber
- Use metal plate and bolts to lock deflector on plow firmly
- Compatible with plow markers & fenders

\* The other parts of the plow system need to be purchased separately.

## Plow Fender

Accessory Code: 5HYV-804400-1000

- For CFMOTO plow
- Wall Thickness: 3mm
- Install on CFMOTO plow system easily
- E-coated with black powder coat
- Reminding: this code is for a pair of plow fenders.

\* The other parts of the plow system need to be purchased separately.

## Plow Strap

Accessory Code: 9DQV-808500-3000

- Apply to CFMOTO plow
- A reliable 45.6 inches (1.16m) length strap that replaces winch rope for lifting plow (Total length = 70.5 inches (1.79m))
- 1.25 inches (32mm) Wide design reduces wear and tear on winch roller or fairlead
- Made from durable polyester fiber material, can bear as much as 3200lbs pull capacity

\* The other parts of the plow system need to be purchased separately.

# CFMOTO POWER

## CFMOTO POWER – Generator G1

Accessory Code: i20, i25, i30

- 15%  
lower fuel consumption, especially conventional generators;
- 2.5%  
lower THD stable output for precise instrument;
- 50°C  
high-temperature environment workable, no overheating shut-down;
- 8 minutes  
to access to any part, for easy inspection, maintenance or repair;
- Starting  
direct gravity fuel supply, for better recoil starting by 1-2 pulls;
- Patented outer structure  
of fully-enclosed housing for strength and lower noise;
- Patented inner structure  
of dual-fan, dual-air channel, dual-muffler, and  
double-layer acoustic hood for better cooling, lower emission and noise.

Fuel gauge, to indicate fuel capacity directly;

Reset function, no need to restart once overload;

Separate fuel and electric switch, run out remaining fuel, better for long storage and reuse;

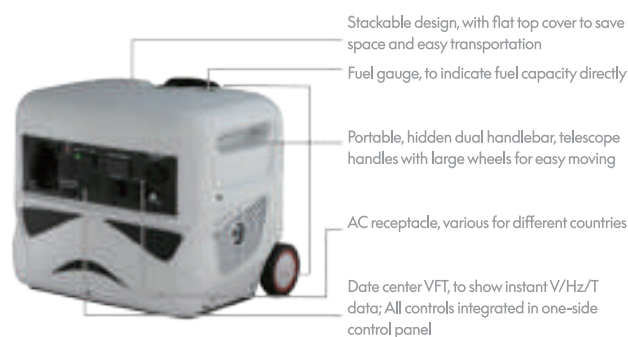

Digital center VFT, to show instant V/Hz/t data;

AC receptacle, various for different countries;

## CFMOTO POWER – Generator G1

Accessory Code: i45, i45E

- Convenient rear cover for repair and all maintenance items
- Compact size, 10% less than competitors, to save space
- Fashionable design to attract eyesight
- Super silent, not disturb other persons
- 2.5% lower THD stable output for precise instrument
- lower fuel consumption, especially conventional generators
- Patented inner and outer structures, more strength and stability

# CFMOTO POWER

### Stackable design

- Flat top design, as a table, easily to place extra stuff on;
- Stackable design to save space and move easily;

### Noise

- Super silent model with noise proof plastic housing and inner noise reduction design, to give you a quite experience;
- Noise level 55-60dBA@7m

### Digital data center VFT

Indicate operation data, easy to read:

- V-Voltage
- F-Frequency
- T-Time for single/total hours

### Auto air venting system

To keep the air pressure balanced between fuel tank and outside, no need to turn on cap knob for fuel supply.  
Simply the operation.

### Repair cover

Simply remove two screws to disassemble the repair door easily;  
Do repair and maintenance work in one location, as follows:

- Engine oil filling and drain
- Air box maintenance
- Spark plug maintenance
- Gasoline drain from carburetor

### Integrated control panel

All control units are integrated in control panel area, easy and simple to operate.

## CFMOTO POWER – Power Bank

**Accessory Code: P600 PRO**

- SiC two-way inverter, the efficiency is as high as 95% or more
- Fast charge 1.5h, no need to wait
- A-turbo technology can drive as high as 1800W electrical application
- Low temperature -20 °C application, to cope with severe cold
- Technological style appearance matches outdoor enthusiast

CFMOTO POWER – Power Bank

Accessory Code: 1360E

- 94V-0 grade fireproof shell, anti-fall and wear-resistant;
- Support three charging methods: Solar charging, Mains charging, and Car charging;
- Two-way inverter fast charging, full power in 2 hours; built-in EPS;
- 4 kinds of interfaces, 9 output ports, multiple devices can be used at the same time;
- Operating temperature: charging -10 °C to 40 °C, discharging -20 °C to 45 °C.

CFMOTO POWER – Power Bank
