Front Bumper Assembly

Accessory Code: 5BWV-801100-5000

5BWV-801100-5001 (EU168)

- Steel Tube diameter 38mm & wall thickness 2mm
- Durable, E-coated with black powder coat
- Provides headlight protection and front protection of vehicle
- Perfectly fits on ZFORCE 800 Trail, ZFORCE 800 Sport, ZFORCE 950 Trail, ZFORCE 950 Sport and ZFORCE 950 Sport-4, Easy to install
- Works with winch system

Nerf Bars Assembly

Accessory Code: 5BWV-801300-5000

- Steel Tube diameter 38mm & wall thickness 2mm Durable, E-coated with black powder coat
- Provides side protection of vehicle
- Perfectly fits on ZFORCE 800 Trail, ZFORCE 800 Sport, ZFORCE 950 Trail and ZFORCE 950 Sport, Easy to install

Nerf Bars Assembly

Accessory Code: 5BYV-801100-6000

- Steel Tube diameter 38mm & wall thickness 2mm
- Durable, E-coated with black powder coat
- Provides side protection of vehicle
- Perfectly fits on ZFORCE 950 Sport-4, Easy to install

Rear Bumper Assembly

Accessory Code: 5BWV-801200-5001

- Steel Tube diameter 38mm & wall thickness 2mm
- Durable, E-coated with black powder coat
- Provides rear protection of vehicle
- Perfectly fits on ZFORCE 800 Trail, ZFORCE 800 Sport, ZFORCE 950 Trail, ZFORCE 950 Sport and ZFORCE 950 Sport-4, Easy to install
- Works CFMOTO hitch system

Side Mirrors Assembly

Accessory Code: 5BWV-805500-5000

- Big mirror area
- Aluminum mounting brackets
- Easy to install
- Apply to Europe Standard

Snorkel Assembly

Accessory Code: 5BWV-803100-5000

- Perfect protection against dust and rain.
- Stable, quiet at low/high speed riding condition.
- Make ZFORCE 800 Trail, ZFORCE 800 Sport, ZFORCE 950 Trail, ZFORCE 950 Sport and ZFORCE 950 Sport-4 work well under harsh environment.

**The snorkel can not work with aluminum roof together.

A-Arm Protector Assembly

Accessory Code: 5BWV-804300-5000

- Made of high density polyethylene HDPE (thickness 8mm)
- Ultimate durability
- Offering great protection in rough terrain
- Perfectly fits on ZFORCE 800 Trail and ZFORCE 950 Trail.

A-Arm Protector Assembly

Accessory Code: 5BYV-804300-6000

- Made of high density polyethylene HDPE (thickness 8mm)
- Ultimate durability
- Offering great protection in rough terrain
- Perfectly fits on ZFORCE 800 Sport, ZFORCE 950 Sport and ZFORCE 950 Sport-4.

HDPE Skid Plate Assembly

Accessory Code: 5BYV-804100-6000

- Made of high density polyethylene HDPE (thickness 8mm)
- Ultimate durability
- Offering great protection in rough terrain
- Perfectly fits on ZFORCE 950 Sport-4.

HDPE Skid Plate Assembly

Accessory Code: 5BWV-804100-5000

- Made of high density polyethylene HDPE (thickness 8mm)
- Ultimate durability
- Offering great protection in rough terrain
- Perfectly fits on ZFORCE 800 Trail, ZFORCE 800 Sport, ZFORCE 950 Trail and ZFORCE 950 Sport.

Aluminum Roof Assembly

Accessory Code: 5BWV-809000-5000

- 2mm thickness Aluminum Roof
- Durable, E-coated with black powder coat
- Perfectly fits on ZFORCE 800 Trail, ZFORCE 950 Trail and ZFORCE 950 Sport, Easy to install

** the aluminum roof can not work with snorkel together.

Cargo Box Assembly

Accessory Code: 5BWV-806100-5000

- Large storage capacity (26 Gallons, ~100 Liters) can take 3 open face helmets
- Lockable lid, Stylish look, Heavy duty plastic
- With CFConnect, Easy to install and un-install, Tool-less
- No mounting holes inside of cargo box, a perfect Water tight seal

Passenger Seat Box Assembly

Accessory Code: 5BYV-806100-3000

- Large storage capacity (22 Gallons, ~83 Liters) can take multi things for riding outside. A perfect water tight seal lid, Stylish look, Heavy duty plastic
- A draining hole at the bottom of the box for easy clean and drain water out.
- This seat box can fit on passenger seat mounting bracket. With CFConnect clamp, easy to install and un-install, Tool-less.

- 8L cooler bag can take 12 cans of 330ml drinks. 17L cooler bag can take 30 cans of 330ml drinks. Its compact size can fit in cargo box or the cabin easily.
- 360 degrees of superior insulation to keep the cold for days
- With ergonomic carry strap and handle strap, easy to carry the cooler bag by shoulder or hand
- With wide-mouth opening, allow easy access and visibility to the contents. And small items can be stocked in the zipped front compartment separately.
- Rugged nylon siding & reinforced zippers for maximum toughness, and make the bag easy to wash, puncture-resistant and waterproof.

**8L cooler bag can fit in CFORCE cargo box (9DQV-806100-3001 / 9DQV-806100-3004), U10/U10 XL and U6/U8 XL cargo boxes, and ZFORCE
**17L cooler bag can fit in U10/U10 XL and U6/U8 XL cargo boxes, and ZFORCE seat boxes

Cooler Bag - Foldable

Accessory Code: 85244B-00600

- One cooler bag has two usage forms that can be freely switched, and with removable shoulder strap and carry handles.
- Beautiful appearance, with multiple hanging points on the external body for easy hanging items, and also equipped with a bottle opener
- 8mm EPE pearl cotton can retain cold for a long time
- Water-resistant interior liner, antibacterial technology for deodorization, easy to clean, environmentally friendly, and allows for direct contact with food
- It can easily contain 6 * 330ml can drinks

Tree Saver Strap

Accessory Code: 9DS#-808302-6000

- Large eyes with heavy duty chafe protection allow for easy rigging
- Bright yellow nylon provide excellent visibility when winching
- Center chafe protects from abrasion damage

**available for ATV/SxS

Winch Fairlead Kit

Accessory Code: 9AWV-808600-8000

- Used with CFMOTO winch
- It includes a fairlead, a hook and a stopper.

**it could be used on any CFMOTO vehicle which equipped with a winch

Winch Remote Controller

Accessory Code: 5HYV-801500-1000

- Easy to install on UFORCE and ZFORCE
- Must work with CFMOTO winch
- Remote range is 15.2 meters
- Easy control winch working

**it could be used on CFMOTO UFORCE or ZFORCE which equipped with CFMOTO winch.

Winch Rope Fairlead

Accessory Code: 9DQV-808600-3000

- Used with CFMOTO winch
- It can stop winch rope rotate back too much and protect winch rope.

**it could be used on any CFMOTO vehicle which equipped with a winch

Hitch Kit (136mm)

Accessory Code: 7000-808100

- 2 inch hitch kit for ATV/UTV
- 136mm length towing bar (from pin shaft hole to hitch ball hole)
- Easy to install and remove
- E-coated with black powder coat

** CFMOTO have 2 kinds of hitch kits for CFMOTO vehicles.
consumer can order the hitch kit as need.
** Before ordering hitch kit, please ensure your vehicle have hitch mounting bracket
firstly.

Hitch Kit (290mm)

Accessory Code: 9AW#-808100

- 2 inch hitch kit for ATV/UTV
- 290mm length towing bar (from pin shaft hole to hitch ball hole)
- Easy to install and remove
- E-coated with black powder coat

** CFMOTO have 2 kinds of hitch kits for CFMOTO vehicles.
consumer can order the hitch kit as need.
** Before order hitch kit, please ensure your vehicle have hitch mounting bracket
firstly.

Trailer Socket & Adaptor Assembly (6 pins)

Accessory Code: 7020-800200-1000

- Use for all CFMOTO vehicle with trailer
- The socket cover defense against dirt and water
- Power socket is for trailer in most markets, added Adaptor is for North America Market
- It is for 6 pins plug

**For CFMOTO vehicles without trailer power socket.
**Before order this product, please confirm whether it is available for your vehicle.

Trailer Socket & Adaptor Assembly (8 pins)

Accessory Code: 9DQV-800200-3000

- Use for all CFMOTO vehicle with trailer
- The socket cover defense against dirt and water
- Power socket is for trailer in most markets, added Adaptor is for North America Market
- It is for 8 pins

**For CFMOTO vehicles without trailer power socket.
**Before ordering power socket & adaptor assembly, please ensure your vehicle has power socket mounting bracket firstly.

CFMOTO POWER

CFMOTO POWER – Generator G1

Accessory Code: i20, i25, i30

- 15% lower fuel consumption, especially conventional generators;
- 2.5% lower THD stable output for precise instrument;
- 50°C high-temperature environment workable, no overheating shut-down;
- 8 minutes to access to any part, for easy inspection, maintenance or repair;

- Starting direct gravity fuel supply, for better recoil starting by 1-2 pulls;
- Patented outer structure of fully-enclosed housing for strength and lower noise;
- Patented inner structure of dual-fan, dual-air channel, dual-muffler,and double-layer acoustic hood for better cooling, lower emission and noise.
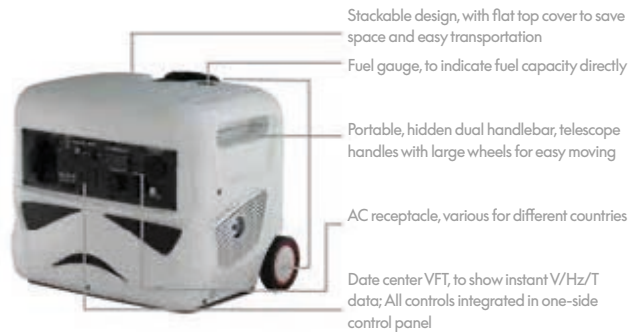

Fuel gauge, to indicate fuel capacity directly;

Reset function, no need to restart once overload;

Separate fuel and electric switch, run out remaining fuel, better for long storage and reuse;

Date center VFT, to show instant V/Hz/t data;

AC receptacle, various for different countries;

CFMOTO POWER – Generator G1

Accessory Code: i45, i45E

- Convenient rear cover for repair and all maintenance items
- Compact size, 10% less than competitors, to save space
- Fashionable design to attract eyesight
- Super silent, not disturb other persons
- 2.5% lower THD stable output for precise instrument
- lower fuel consumption, especially conventional generators
- Patented inner and outer structures, more strength and stability

CFMOTO POWER

Stackable design, with flat top cover to save space and easy transportation

Fuel gauge, to indicate fuel capacity directly

Portable, hidden dual handlebar, telescope handles with large wheels for easy moving

AC receptacle, various for different countries

Date center VFT, to show instant V/Hz/T data; All controls integrated in one-side control panel

Portable

Multiple portable devices for easy moving, such as:

a. Telescope handle;

b. Hidden dual handlebar, with anti skidding design;

c. Large and diamond-curved wheels, with logo cover;

Stackable design
- Flat top design, as a table, easily to place extra stuff on;
- Stackable design to save space and move easily;

Noise
- Super silent model with noise proof plastic housing and inner noise reduction design, to give you a quite experience;
- Noise level 55-60dBA@7m

Digital data center VFT

Indicate operation data, easy to read:
- V-Voltage
- F-Frequency
- T-Time for single/total hours

Auto air venting system

To keep the air pressure balanced between fuel tank and outside, no need to turn on cap knob for fuel supply.
Simply the operation.

Repair cover

Simply remove two screws to disassemble the repair door easily;
Do repair and maintenance work in one location, as follows:
- Engine oil filling and drain
- Air box maintenance
- Spark plug maintenance
- Gasoline drain from carburetor

Integrated control panel

All control units are integrated in control panel area, easy and simple to operate.

CFMOTO POWER

CFMOTO POWER – Power Bank
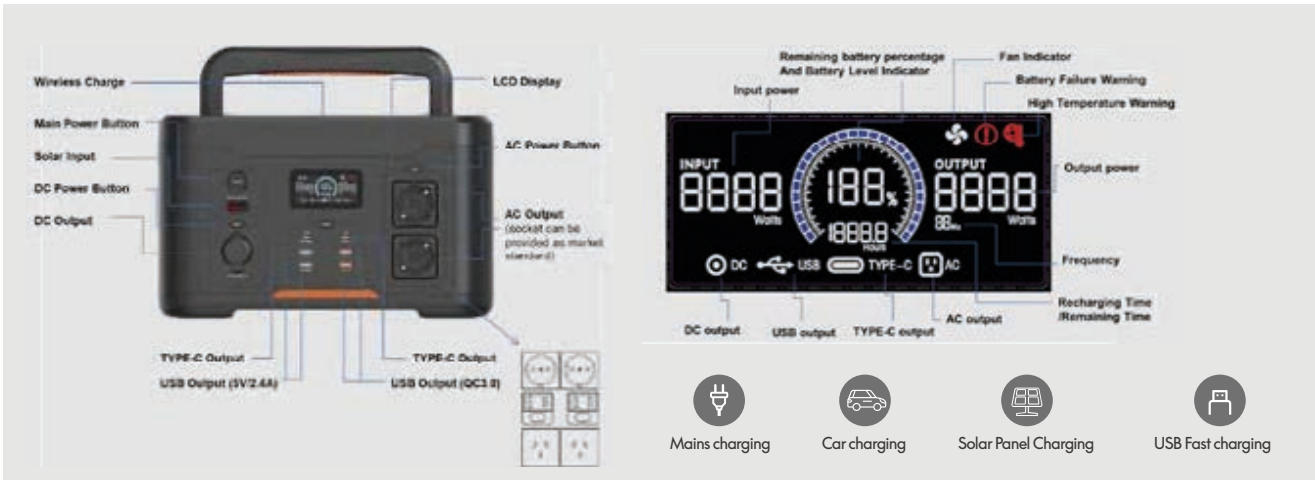

Accessory Code: P600 PRO

- SiC two-way inverter, the efficiency is as high as 95% or more
- Fast charge 1.5h, no need to wait
- A-turbo technology can drive as high as 1800W electrical application
- Low temperature -20℃ application, to cope with severe cold
- Technological style appearance matches outdoor enthusiast

CFMOTO POWER – Power Bank

Accessory Code: 1360E

- 94V-0 grade fireproof shell, anti-fall and wear-resistant;
- Support three charging methods: Solar charging, Mains charging, and Car charging;
- Two-way inverter fast charging, full power in 2 hours; built-in EPS;
- 4 kinds of interfaces, 9 output ports, multiple devices can be used at the same time;
- Operating temperature: charging -10℃ to 40℃, discharging -20℃ to 45℃.
